**Ilona Yasnolob**

participated in the Erasmus+ project

“Enhancing capacity of universities to initiate and to participate in clusters  
development on innovation and sustainability principles” (UniClaD)

(no. 609944-EPP-1-2019-1-LT-EPPKA2-CBHE-JP)

**event “STUDY TOUR”**

at Kauno kolegija Higher Education Institution from 16-09-2024 until 20-09-2024.

The main objectives of the study tour in Lithuania were to provide information about best practice case studies, principles, opportunities and weakness during different food clusters activities. During the study tours participant visited different Lithuanian clusters, where representatives shared cluster development experience and research activities aimed to clusters. Participants also attended different lectures and workshops.

Vice Director for Organisational Development
